Beluga

A Journey Through South Africa

Wine is more than what fills the glass. It is a sense of place, a moment in time and the expression of those who shape it.

At Beluga, our wine collection celebrates the extraordinary diversity of our vineyards — where ancient soils, dramatic landscapes and ocean-cooled vineyards create wines of remarkable character and finesse.

From the elegance of Constantia to the celebrated valleys of Stellenbosch, Franschhoek and beyond, we have sought out bottles that captivate, intrigue and reward discovery. Each selection has been chosen for its individuality, provenance and ability to elevate the experience at the table.

Expect classic expressions alongside distinctive discoveries, with every bottle offering its own story and sense of place. Whether you are drawn to the purity of a beautifully crafted white, the depth and complexity of a great red, or the effortless celebration of something sparkling, we invite you to explore at your own pace.

Our team is here to guide you, whether you know exactly what you are looking for or would rather let us surprise you.

Raise a glass, savour the moment, and discover South Africa through wine.
